CORE VALUES

Equity: The institution believes in the principal of universal education and equity providing access to all students irrespective of gender, caste, class or religion. It embraces diversity and aims at promoting an inclusive society.

Empowerment: At the Government College of Commerce and Economics, we believe that education is the path to true enlightenment and empowerment. We aim at enriching the teaching learning experience by adopting a student-centric approach and using Information and Communication Technology. Our motive is to develop competences of our human resources – both students and faculty.

Excellence: We believe in a holistic approach to education. Our college is committed to provide each and every student the best educational experience possible, providing them not just what their curriculum demands but also according them avenues to explore their inherent potential, give expression to their creativity, develop their personalities and become global citizens.

Value system: We believe in the values of honesty, integrity, brotherhood co-operation and aim at inculcating and imbibing these values in our students. We encourage student learning and empower our students to

embrace attributes of accountability and responsibility and develop in them a respect for diversity and plurality.

Student Learning: We believe our very existence revolves around our students. They are our 'raison d'être.' We have the power to shape and mould them into employable citizens. We aim at being the connective tissue between academia and industry, imbuing in our students the requisite skills, learning and knowledge, acumen and wherewithal required by the ever evolving global market.
