Lecture timing should be reduced by 15 min from 1 hour to 45 minutes

College time should start early from 8.am

A good sports Ground, and better cricket nets

Introduction of postgraduate programmes. Give students a real-world problem to solve to bridge the gap between learning and Market industry.

Very good keep it up

The bonding between the teachers and the students should be strong and positive. 2. If a student did something wrong then the teacher shouldn't shout at him/her as she should handle the situation in a very polite way.
