

GOVERNMENT COLLEGE OF COMMERCE AND ECONOMICS BORDA-MARGAO, GOA

Affiliated to the Goa University

COLLEGE RESEARCH POLICY

The Research Policy of the College basically aims to establish research culture amongst the faculty members. The purpose is to encourage the faculty members to take up quality research work and to inspire and promote research culture amongst the teaching faculty; to provide, help and motivate the faculty to pursue doctoral and post – doctoral studies.

Aims and Objectives

1. To encourage the faculty to pursue research.
2. To inculcate research culture and temper.
3. To encourage faculty to write quality research papers.
4. To identify opportunities for collaboration and develop linkages like MOU's with other academic institutions/organisations for progressive research.
5. To identify potential research areas.
6. To write and contribute to quality journals.
7. To provide a platform to researcher's to present their research before experts and guides.
8. To encourage faculty members to pursue doctoral and post-doctoral studies.
9. To undertake minor and major research projects.
10. To organise seminars and workshops.

Institutional Role

The College should:

1. Provide the infrastructure.
2. Encourage the faculty to attend workshops and seminars.
3. Ensure that all members of the teaching faculty are facilitated to visit the University and other Institutions for research based workshops/symposiums/seminars with the approval of the Head of Institution.
4. Facilitate weekly presentations for the faculty in the College.
5. Invite resource persons to deliberate on research methodology and other areas requiring expertise.
6. Organise workshops for faculty members in SPSS/AMOS and other Statistical packages for data analysis.

Ethics and Review of Research

1. Create awareness among the Researchers' regarding Intellectual Property Rights.
2. Create awareness about Plagiarism and its implications.
3. Provide guidance to the new faculty members about the value system in research projects.

Financial Assistance

The Researcher shall arrange for his/her own funds required to pursue his/her individual research interest. The Government College of Commerce and Economics shall not bear any financial implications arising due to the research of the individual faculty member. The faculty may choose to take funding from the funding agencies such as the University Grants Commission (UGC), Directorate of Higher Education, Government of Goa or the Indian Council of Social Science Research (ICSSR) or any other funding agency for the purpose of pursuing his/her research interest.
