The curriculum of the B. Com program is well designed and promotes learning experience.

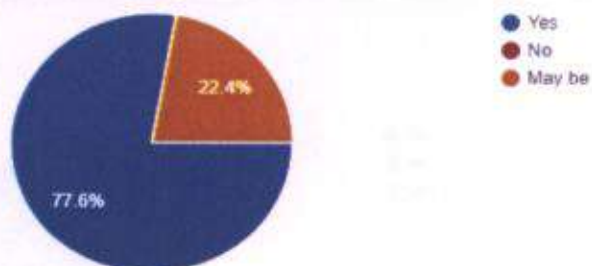

49 responses

The above pie chart clearly indicates that 98% of the parents agree that curriculum of the course is well designed and is suitable enough to give the students a good learning experience.

The curriculum incorporates the skills and knowledge required to adapt to real life situations.

49 responses

The above pie chart indicates that more than three-fourth majority of the parents agree that the course curriculum provides their wards with the necessary practical skills and knowledge required in the real world.
