About the College

The Government College of Commerce and Economics Borda, Margao is the youngest Government College in the educational map of Goa. We are very much delighted to state that Government College of Commerce and Economics Borda Margao, has done fabulous work in the educational spheres may it be academics, research, student development or community development at large in a short span of just 10 years. We at Government College are sensitive to the needs of our students with a special focus on students coming from the underprivileged sections of the society. Our priority is to empower our students with the necessary and competitive skills and prepare them to become globally competent.

It is said that “Motivation is already lying in us like sticks in the match box. We need to light it, and then we can enlighten the entire universe”. The strength of this college is our dedicated teachers and well-disciplined and highly equipped supporting staff and the love of our life are our students, who have amazing quest for knowledge and learning.

About the Department

The Department of Commerce of Government College Borda-Margao is a very vibrant department. The faculty members of the Department of Commerce are highly qualified, resourceful and dedicated to the core for the students' wellbeing. The faculty of Department of Commerce of our college is grossly engaged in serious research in the areas of Marketing, Human Resource, Finance, Consumer Behaviour and Skill Development. At Government College Borda we provide specialization at the T.Y.B.COM (Honour) level in the subject of Accounting, Cost Accounting and Management. We provide skill based training to our students right from the first year to the final year of the commerce degree course, so as to make them self-independent and resourceful to the nation.

The Department of Commerce is reaching out to the community through different cells and committees. We encourage cultural activities, personality development and sports and thus interact with the society at large.

About E- Conference

The National Seminar on the Topic “New Education Policy 2020 - Review and Implementation-with Special Reference to Goa”, will provide an opportunity for the various stakeholders to deliberate on Elementary and higher education and research policy. It is expected that the seminar will contribute to motivate and mobilize the human resources in the digital scenario and communication and information technology era, specifically, it aims at providing a premier multi-disciplinary platform for Academicians, Educators, Policy Makers, Researchers, Practitioners, Professionals, Research Scholars, Management and Trusts in the field of education across the country and Goa in specific.

The NEP stresses on National assets, significance of mother tongue in the elementary level of education and redesigning its schooling structure in the 5+3+3+4 format.

The seminar topic “New Education Policy 2020 - Review and Implementation”-with Special Reference to Goa”, is apt topic as The Union cabinet in July 2020 approved the New Education Policy (NEP), which aims at universalization of education from pre-school to secondary level.
