Report on a Workshop on how to read Students and Visitors by their Body Language, Hand Writing and Handshake held on 03/07/2020 organised by College Library Committee, Government College of Commerce and Economics, Borda, Margao – Goa .

The workshop was held from 2.30 P.M. to 3.30 P.M. in the Seminar Hall (Virtual Classroom). The Resource person for the workshop was Dr. Gajanan V. Madiwal, Principal, Government College of Commerce and Economics, Borda, Margao – Goa. Total 7 staff members participated in the workshop were

1. Ms. Nayana Shanbhag
2. Mrs. Nerita E. Coutinho Fernandes
3. Mrs. Binciya Figueredo
4. Bindiya M. Naik
5. Pravin V. Kamat
6. Vithoba Velip
7. Ankita Naik

The resource person covered the following topics:

1. Graphology

The resource person explained the following point on Graphology:

- Understanding graphology.
- Learning to collect correct writing samples.
- Understanding zones in graphology.
- Line spacing analysis.
- Word.
- Letter.

Graphology involves the various techniques developed over time that can peer into a subject's mind by analyzing their penmanship. A few handwritten lines can be used to reach several conclusions about a subject, including factors like aggression, anxiety, creativity, introversion/ extroversion, etc.

2. Body language

The workshop gave staff an in-depth understanding of how to use non-verbal communication to pursue professional goals. Participants learned about the principles of intelligent body language and different channels of communication.

3. Handshake

In this workshop we learned different style and methods of handshaking. It would be something of an overstatement to claim that a person's handshake provides a window to his or her soul. However, we feel that handshakes are stable and consistent across time and gender.

The technical support was provided by Mr. Vithoba Velip, Laboratory Assistant of this College.

The workshop came to an end at 3.30.p.m.

7th February 2020

The Government College of Commerce & Economics, Margao, in association with the Directorate of Higher Education, Government of Goa, organized a One Day National Level Seminar on “Digital India: Initiatives, Issues and Challenges” on the 7th of February, 2020.

The main themes of the seminar were (1) ICT in Education, Business, Healthcare, Finance and other services and (2) E- Governance and m-Governance services, followed by a variety of subthemes like: Digital India Initiatives, Challenges in Digitalization, Internet of Things, Digital Currency, SWOC, Online Advertising, etc. The Seminar witnessed participation of both faculty and students drawn from within and outside the State of Goa.

The seminar began with the inaugural function and lighting of lamp by the dignitaries. The Chief Guest of the Seminar was Ms. Monisha Banerjee, CEO Anudip Foundation, Kolkata; the Guest of Honour was Prof. Venkatesh.V. Kamat, Dean, Goa Business School, & Professor of Computer Science & Technology, Goa.

Prof. V.V. Kamat, during his address said ‘Teachers are no longer a sage on stage; they are your guide by side’. How students fare in their career is more important than what grades they get in their examinations. As teachers we need to look at pedagogy and assessment. Learning the concepts, problem solving and application of theory in real life is need of the hour.

Ms. Monisha Banerjee, in her Keynote address, said that around 40 million plus qualified people in India are unemployed. In the next five years job roles will be remarkably different from today. Repetitive tasks will no longer be seen and different skill sets will be needed.

She also gave information about their Foundation, Anudip, which is doing a wonderful job in India’s growth mission. As we move into a digital world ‘adaptability’ mindset is the key to success, she concluded.

REPORT OF THE FACULTY DEVELOPMENT PROGRAMME
On
'Guidelines for Setting Question Papers and Assessing Answer Books'

Organized by

The Internal Quality Assurance Cell (IQAC) of the Government College of Commerce and Economics, Borda-Margao, Goa

The IQAC, Government College of Commerce and Economics, Borda, Margao organised a State Level Faculty Development Programme on 'Guidelines for Setting Examination Question Papers and Assessing Answer Books' on the 30th of August, 2019.

Dr. Renji George Ambaloor, Deputy Director, DHE and Dr. Shekar Naik, Assistant Director, DHE, Goa were the Resource Persons for the Workshop.

Dr. Renji George spoke on the Modalities of setting a Question Paper. The template to be used for the question paper setting was discussed. He elaborated on the scope, length and difficulty level of the question paper to be set by the concerned teacher. Dr. Renji George shared examples of different questions and how students would interpret them. He advised teachers that editing, which is the last step in the setting of the question paper is the neglected one but a very important aspect to be followed by the teachers.

Dr. Shekar Naik spoke about 'Blooms Taxonomy' which provides a systematic way of describing how a learners performance grows in complexity when mastering academic task. He explained how the six levels of Blooms Taxonomy can be used in assessing a students performance. Dr. Renji George later spoke about the assessment of answer books based on the University Ordinance. The session ended with queries being answered by the Resource Persons.

Some of the queries raised by the teachers:

- ❖ Inform us about the pattern of the question paper under CBCS system for Semester V.
- ❖ Do we have to conduct the practical exam again for the repeaters or are they exempted from it.
- ❖ Can questions asked in ISA be repeated in the SEE?
- ❖ There is no clarity in scrolling of blank papers in the answer books.
- ❖ Should an extra answer be circled or marked in a triangle?
- ❖ Should all the Colleges have their own Course Outcomes or should a standard one be followed.

On the occasion, a book edited by three faculty of the College – Dr. Elizabeth J Henriques, Dr. Rohita Kamat and Dr. Monica Patil which is a compilation of selected research papers presented at the Two Day National Seminar on 'The Indian Economy: Emerging Trends, Issues and Challenges' was released. A total of 50 participants attended the programme.
