Talk on “Inclusiveness and Democracy: Celebrating Ambedkar.”

The Student Council in association with the Internal Quality Assurance Cell of the College (IQAC) organised an online Talk for the Students and Staff of the College on the occasion of Ambedkar Jayanti on the 14th of April 2021. The Resource Person for the talk was Dr. Sushila Sawant Mendes, Associate Professor of History at the Government College of Arts, Science & Commerce, Quepem-Goa.

The Principal welcomed the Resource Person and also spoke on the occasion. He complimented the Student Council and the IQAC of the College for organising the talk on the occasion of Ambedkar Jayanti.

Dr. Sushila spoke on the topic “**Inclusiveness and Democracy: Celebrating Ambedkar.**” She highlighted the views of Ambedkar on the topic. Quoting from writings, speeches and texts, she put forth three narratives drawing a distinction in the viewpoints held by Gandhiji and Ambedkar on (1) Caste and untouchability (2) Communal electorates and (3) Self Governance. She elaborated on the Mahatma’s and Babasaheb Ambedkar’s views on untouchability. While the former was of the belief that if untouchability is eliminated the caste system will be purified, the former was of the opinion that untouchability was not a simple matter. Babasaheb, unlike Gandhiji did not support the system of communal electorates but argued in favour of joint electorates and also supported self-governance. Ambedkar argued in favour of universal adult suffrage.

Ambedkar fought for a casteless society which however remains a distant dream, she opined. Ambedkar embraced Buddhism in 1956 inspiring thousands of Dalits to do the same. In her presentation she also highlighted the life and views of Babasaheb on Economics and Politics. She lamented the fact that Ambedkar is talked about only on the day of his anniversary.

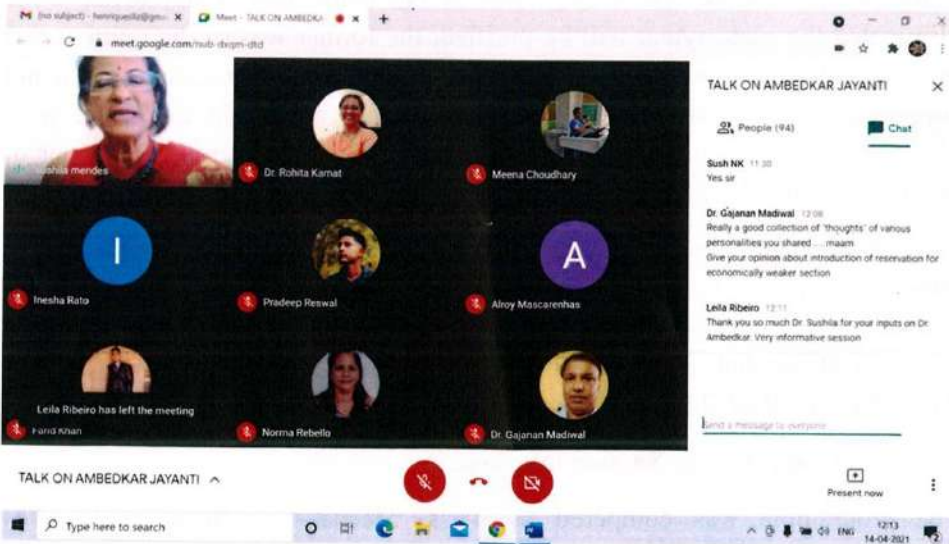

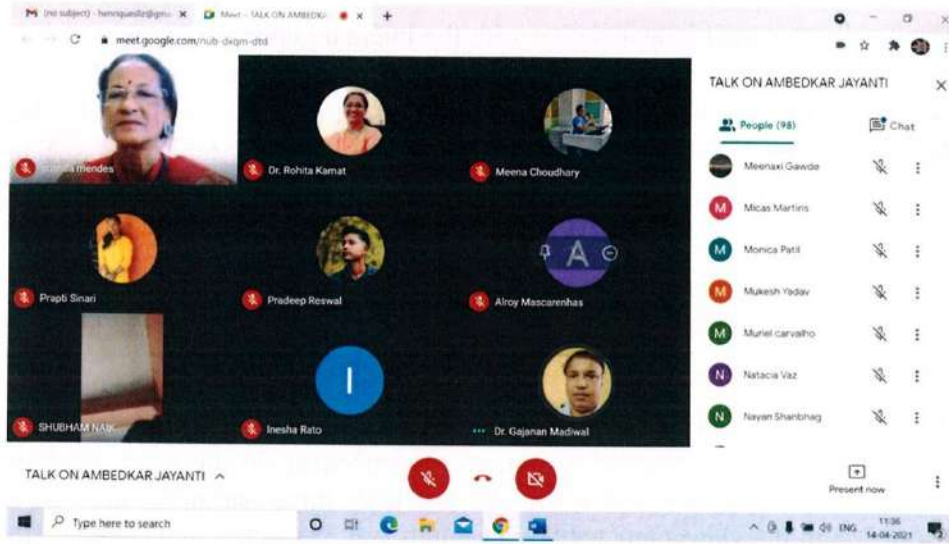

A Question-and-Answer Session followed.

The programme was compered by Miss. Meena Choudhary, the Ladies Representative of the Student Council and a Member of the IQAC. The programme concluded with Master Jovito Fernandes, the Cultural Secretary proposing the Vote of Thanks. A total of 127 participants attended the talk.

have a sexual connotation. She also threw light on online Sexual Harassment. She made the students understand the role of the ICC at the workplace and under which circumstances a victim should approach the ICC. She distinguished between sexual harassment at workplace and outside the workplace and how to overcome it and seek redressal for the same. She pointed out that if the act of sexual harassment is at the workplace then the authority to be approached is the ICC of the workplace. In the case of sexual harassment outside the workplace, a criminal case can be registered. She also spoke on who can be a harasser at workplace. She cautioned the students particularly the girls/women against making false complaints. She also discussed the procedure followed by the ICC in handling complaints of sexual harassment. Later the session was open for questions. Dr Ranjana cleared all the doubts of the students. The programme concluded with a vote of thanks proposed by Ms. Lily Endro.

REPORT

The Department of Economics of the Government College of Commerce and Economics, Borda organised a State Level Webinar on the topic “CRYPTOCURRENCIES” on the 10th of December 2021, 4.00 p.m onwards.

Dr. Elizabeth J. Henriques, the Webinar organiser began the Webinar by welcoming the Resource Person Mr. Jervis Pereira and the participants and threw light on the rationale behind selecting the theme of the Webinar. The Principal of the College, Dr. Gajanan V. Madiwal in his introductory remarks spoke briefly on cryptocurrencies and officially welcomed the Resource Person and all the Participants. Dr. Elizabeth J. Henriques, then introduced the Resource Person Mr. Jervis Pereira, the Founder of Digital Kwills and the Head of Strategic Partnerships at AdLunam. He is the Regional Head of Idealabs FutureTech Ventures and the Co-founder of the Blue Economy Hub.

The Resource Person engaged an informative session on cryptocurrencies. In an hour-long session on this digital currency, he likened trade in cryptocurrency with stock trading. He traced the origin of digital currency to David Chaum who introduced ‘Digi Cash’ in 1989. He mentioned that there are over 14,000 coins one can invest in with bitcoins being the most popular. All other coins he pointed out are called “Alt coins”. The value of a cryptocurrency/bitcoin would depend on how much value is ascribed to it. He informed the participants that the market for cryptocurrencies unlike that for stocks is a continuous market and does not close. One could even buy a fraction of a bitcoin. Coinmarket.com indicates a second-to-second movement of coins. Bitcoins are available on a decentralised exchange through blockchain technology.

He also threw light on different cryptocurrency exchanges in India – COINDCX; COINSWITCH; WAZIRX; Zebpay etc. He opined that the cryptocurrency market is a safe market to invest in. The Government of India he pointed out does not recognise cryptocurrency as legal tender and is attempting to regulate this market. Cryptocurrencies are A-Legal in India.

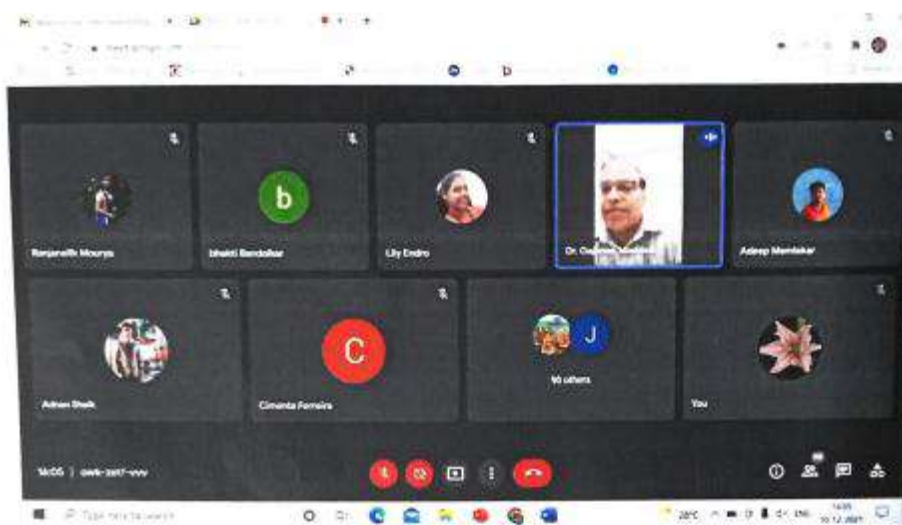

The participants raised a number of questions which were responded to by the Resource Person.

Ms Anagha Kamat Sambary, Assistant Prof. of Economics proposed the Vote of Thanks.

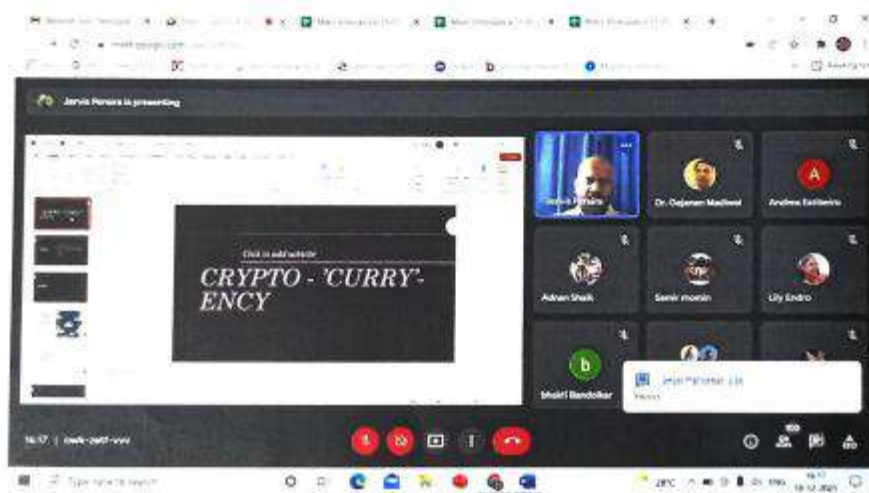

The Webinar was attended by a total of 100 students and faculty of different colleges across the State.
