REPORT ON ONE DAY WORKSHOP ON 3D PRINTING TECHNOLOGY

Organizing Department: Economics and the Institution's Innovation Council

Name of the Activity: One Day Workshop on 3D Printing Technology

Date: 15th January, 2024 **Timing:** 9.30 to 4.30 pm.

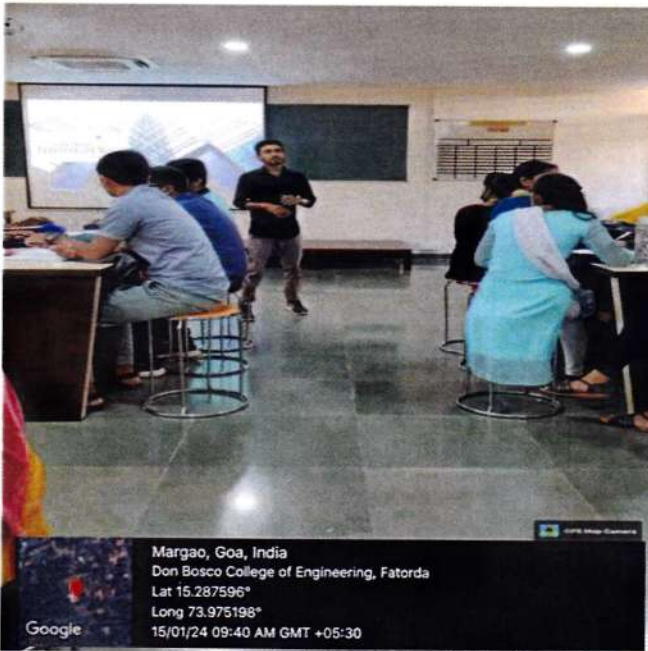

Venue: Goa State Innovation Council lab, Don Bosco College of Engineering, Fatorda.

Details of Participants: Students of F.Y.B.Com, S.Y.B.Com and T.Y.B.Com

Number of Participants: 40

Brief Summary of the Activity:

Department of Economics and the Institutions Innovation Council (IIC) of Government College of Commerce and Economics, Borda, Margao-Goa, in collaboration with the Goa State

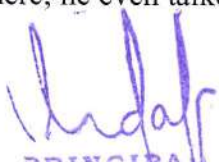

Innovation Council (GSinC) organized a transformative One Day Workshop on 3D Printing Technology, held at the Don Bosco College of Engineering, Fatorda, on the 15th of January 2024 between 9:30 am to 4:30 pm, captivating the minds of 40 enthusiastic students from the college.

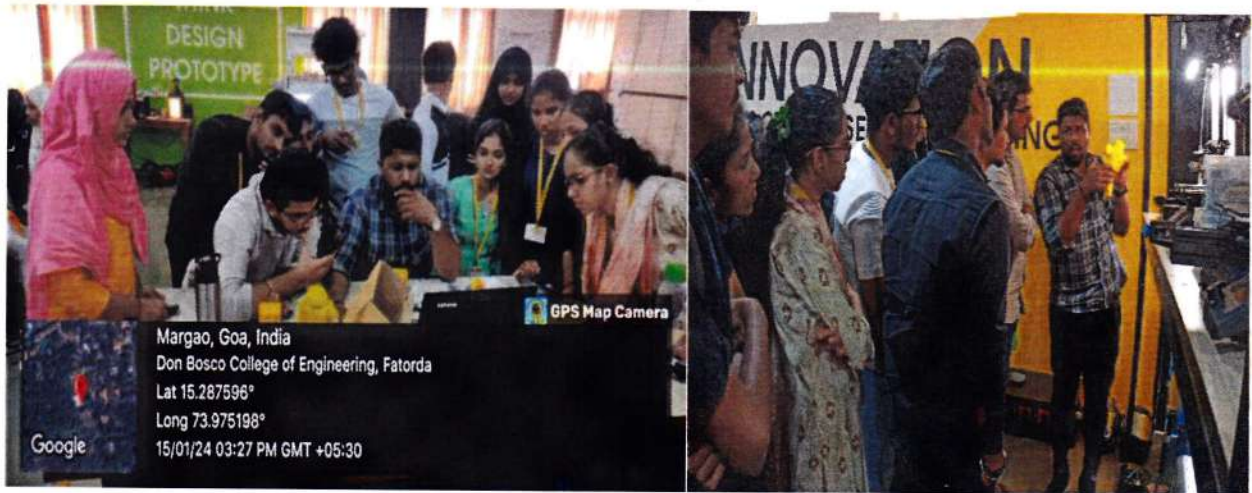

The day kicked off with Mr. Sidhant Panjekar, who led the first session. He got everyone thinking about "innovation." What is it, really? Using videos and a cool example of Zing cricket wickets, he explained how technology plays a role in our everyday lives. Mr. Panjekar also introduced something called the Virtual Innovation Register (VIR), a place where you can

register your ideas and get support for things like patents, collaborating with experts, and even finding resources and funds.

After a mind-stretching morning, it was time for Mr. Shivraj Naik to take the stage. He made 3D printing sound like magic! Explaining the steps involved and showing videos of different types of 3D printers, he also shared names of some computer programs like Blender and Solidworks that you can use to create 3D designs. But it didn't stop there; he even talked about AI robots like Sophia and Rashmi.

Now, the best part – hands-on activities! The students were split into two groups. One group got a crash course on building a robot with Mr. Naik, while the other group got to unleash their creativity using a 3D pen to design cool art works. After an hour, they switched activities, making sure everyone got a taste of both worlds. Vote of thanks was given by Harsh Narvekar, student of TYBCOM to the resource persons who played a crucial role in making this day happen.

The primary goal of this PDP was to apprise the staff members and create awareness regarding the significant provisions and implications embedded in the POSH Act of 2013.

The Officiating Principal, Prof. F.M. Nadaf, extended a warm welcome to the distinguished Resource Person, Ms. Bhakti Naik, an Assistant Director of Higher Education at the Directorate of Higher Education and a former faculty member of Law at the V.M. Salgaocar College of Law, Miramar, Goa.
